Except in the case of those who have a tertiary qualification taught in English from a country on the current (at time of student’s enrolment) University Admissions Centre English Language Proficiency policy country list, international candidates whose first language is not English will be required to sit an IELTS test.

For students wishing to enrol in the Certificate, Diploma, BCS, BMin and BTh degrees, an overall band score of 6.5 is required; with a minimum of 6.0 in each subtest.

For students wishing to enrol in the GradCert, GradDip, MDiv or MA courses, an average of 7.0, with at least 7.0 for reading and writing, and 6.5 for listening and speaking is required. Those seeking entry to the MTh, DMin, PhD and ThD degrees must obtain an average of 7.5, with at least 7.5 in reading and writing, and 7.0 in listening and 6.5 in speaking.

No test result that is more than three years old will be accepted. In such cases students will be required to resit the test. For more information and a list of IELTS equivalence tests, see the Admission Policy – English Language Proficiency, available at www.vose.edu.au

For more information on IELTS tests, please refer to the following website:

Preferred Dates for Overseas Admission Applications
Semester 1: 30th September (of the year before you intend to start)
Semester 2: 31st March (of the year you intend to start)

Candidates whose applications are received after these dates may have difficulty in obtaining visas before the proposed commencement date. Acceptance of enrolment does not guarantee that a visa
will be granted. Students should make enquiries with their local Australian Embassy.

**Preferred Dates for Unit Enrolment**

Once a candidate has been accepted, they can enrol in the required units each semester. An Enrolment Form is available on the Seminary web site and should be returned three weeks prior to commencement.

*Preferred Dates for Unit Enrolment:*

- Semester 1: by 31st January
- Semester 2: by 30th June

Unit Enrolments may be accepted until the commencement of lectures.

**Credit Transfer and Recognition of Prior Learning**

International Students may apply for Credit or Recognition of Prior Learning for studies that may have undertaken previously. Please contact Vose for further information. Application for credit needs to be lodged at the same time as the application for admission. If credit is granted this may reduce the period of study and will be reflected in the offer letter provided to the student. Any applications for credit need to be accompanied by certified copies of evidence relevant to the units for which credit is being applied. The Course Advisor will review the evidence and the student will be informed in writing of the outcome of their application.

**Facilities at Vose Seminary**

Vose Library is a significant Christian library, existing to resource both Vose students and others in Western Australia. Over the last five decades, we have built up a collection we are proud of, consisting of 41,000 books and thousands of journals, including ninety current titles. Our library is constantly growing and innovating, adding 2000 new titles each year. It is the place to keep pace with development in Christian thinking and practice. Our collection includes a broad range of Christian perspectives as well as secular writers, with an evangelical focus and a Baptist heritage.

Vose Seminary has a number of training rooms that provide a comfortable learning environment. Our dining room includes a student kitchen, with tea and coffee provided.

**Training and Assessment**

The majority of training at Vose occurs in the classroom. Students attend lectures as per the timetable provided during the enrolment phase. In class, students participate in discussions and take notes from the lecturer’s presentations that they may use later in their assignments. Vose does offer some of its units via Distance for those students enrolled in Vocational level qualifications. International students may only complete up to a maximum of 25% of their course via Distance Learning. Should an international student wish to take up Distance Learning, this first needs to be approved by the Course Advisor.

Assessment for the majority of Vose courses are through written assignment. Students may also be asked to give presentations and on occasion, work on a group project.

**Working with Children**

Students at Vose Seminary are reminded that Western Australian law requires all people involved in working with children to have a Working with Children (WWC) card. This also includes volunteer work in churches. Therefore, students enrolling in some units which involve contact with children (e.g. ministry placement or internships) will be required to obtain a Western Australian WWC card before
the enrolment in that unit can be accepted. Further details are available at http://www.checkwwc.wa.gov.au/checkwwc.

**Visa Conditions for Overseas Students**

International Students are reminded of visa requirements related to health cover and class attendance. While studying in Australia, International students are required to arrange and maintain adequate International Student Health Cover. For more information go to http://www.health.gov.au/internet/main/Publishing.nsf/Content/Overseas+Student+Health+Cover+FAQ-1

It is a visa requirement that International Students maintain good class attendance. Please refer to http://www.immi.gov.au/students/visa-conditions-students.htm. In the event that a student is absent from more than 20% of lectures, the lecturer will notify the Academic Dean who will contact the student. Vose may at this point implement an Intervention Strategy if it feels the student is at risk of underperforming or breaching the conditions of their visa.

**Enrolment may be Deferred, Suspended or Cancelled**

Students who wish to defer their studies must apply to Vose Seminary in writing. The application must be addressed to the Registrar and Academic Dean.

Students must have evidence to support their request for a deferment. For example, where a student requires a deferment due to medical illness, it is expected that a valid, signed medical certificate will be provided as evidence. Vose will evaluate the evidence provided and reserves the right to determine the suitability of that which is provided.

Once Vose has the application and the required evidence, the Registrar, in consultation with the Academic Dean, will decide whether or not to grant the student the requested deferment. Items that the Registrar and Academic Dean will take into consideration include, amongst other things:

- The student’s academic progress to date.
- The student’s attendance records to date.
- Whether the student is likely to continue to complete their course within the timeframe of their original Confirmation of Enrolment.

The student will be informed in writing of the outcome of their application and will be asked to sign their agreement to any conditions placed on the request being granted and their understanding of their overall obligations.

Should a request be denied, the student may access the Seminary’s Dispute Resolution Policy for International Students and follow the guidelines outlined in this document.

Further information describing what circumstances would be considered for the potential approval of a deferment, suspension and cancellation can be found below:

i) International students may defer studies at Vose Seminary when significant personal circumstances have interfered, or threaten to interfere, with the educational process. These significant personal circumstances may include, but are not limited to,

a. The health and physical well-being of the student or their spouse or family members, whether residing in Australia, in the student’s country of origin, or in a third country.

b. The economic well-being of the student and/or their spouse or family members, whether residing in Australia, in the student’s country of origin, or in a third country.
c. Changes to the personal freedom and social well-being, whether actual or threatened, that are brought about by legal, criminal, or political processes and which have a direct affect upon the student, the student’s spouse or family members, whether residing in Australia, in the student’s country of origin, or in a third country.

A student’s enrolment may be suspended under the following circumstances:

The enrolment of an international student may be suspended if:

a. The student’s academic performance does not meet with the minimum expectations of Vose Seminary – details of these expectations are contained in the Course Progress Intervention Policy, available online from the Vose policies page - www.vose.wa.edu.au/view/information/policies.

b. The student’s attendance at class does not meet the minimum expectations stipulated by the Department of Immigration and Citizenship – details of these expectations are contained in the Course Progress Intervention Policy, available online from the Vose policies page - www.vose.wa.edu.au/view/information/policies.

c. The student does not meet the financial obligations of an international student at Vose Seminary contained with the Acceptance of Offer of Admission document signed by the student during the admission process.

A student’s enrolment may be cancelled under the following circumstances:

The candidature of an international student may be cancelled if, following the implementation of the procedures outlined in the Vose Seminary Course Progress Intervention Policy:

a. The student does not re-enrol in a subsequent semester;

b. The student’s academic performance does not improve and remains below the minimum expectations of Vose Seminary;

c. The student’s attendance at class continues to fall short of the minimum expectations stipulated by the Department of Immigration and Citizenship;

d. The student does not meet the financial obligations of an international student at Vose Seminary contained with the Acceptance of Offer of Admission document signed by the student during the admission process.

Where the Seminary has chosen to suspend or cancel a student’s enrolment, the Seminary will inform the student in writing of this decision.

Where a student wishes to appeal the decision to suspend or cancel their enrolment, they may access the Seminary’s Dispute Resolution Policy for International Students available at www.vose.wa.edu.au/view/information/policies and follow the guidelines outlined in this document.

Further Information

Students interested in ACT Awards (Higher Education Sector) should also refer to the ACT International Student Handbook.
In addition to information in this booklet your attention is drawn to documents on the Seminary website:

- “Intervention Strategy Policy” (for Higher Education Sector Students) and “Course Progress Intervention Strategy Policy” (for VET Sector Students). These provide details of the Seminary’s monitoring of your progress in studies, intervention strategies should there be risk of unsatisfactory progress, and grounds on which the student’s enrolment may be deferred, suspended or cancelled.

Financial Assistance

The Seminary is unable to offer any scholarships, work or other means of support. Overseas students seeking financial assistance should do so through other means.

Transfers between educational providers

Vose Seminary will not enrol a student wishing to transfer from another registered provider’s course prior to the student completing a minimum of six months of that principal course except where:

- The original provider has ceased to be registered;
- The course in which the student is enrolled has ceased to be registered;
- The original provider has provided a written letter of release;
- The original provider has had a sanction imposed on its registration that prevents the student from continuing his/her course;
- Any government sponsor of the student considers the change to be in the student’s best interest and has provided written support for that change.

The Seminary will grant a letter of release at no cost to a student when the student has provided a letter from another registered provider confirming that a valid enrolment offer has been made.

If granted such a letter of release, you are reminded that you will need to contact The Department of Immigration and Border Protection at www.immi.gov.au to seek advice on whether a new student visa is required.

If Vose Seminary does not grant your request for a letter of release, you will be provided with a written reason for the refusal. You also have the right to appeal the decision in accordance with the
Seminary’s Dispute Resolution Policy for International Students.

The Seminary will maintain a record of all requests from students for a letter of release and the assessment of, and decision regarding the request on the student’s file. Please refer to the Transfer Between Education Providers policy found on the website.
Course Progress and Intervention Policy / Dispute Resolution Policy

The seminar’s policies for International Students are available at www.vose.wa.edu.au/view/information/policies.

Making complaints about a course of an education provider

Who should I complain to?

In the first instance you should always access the internal complaint handling process available at your education provider.

What happens if I am not satisfied with the internal complaints/appeals process at my education provider, or if they do not have a complaints body/process?

For complaints against a privately owned education provider – refer to the Overseas Student Ombudsman: www.oso.gov.au/

For complaints against a publicly owned education provider – refer to the state or territory ombudsman in the state/territory where the provider is located: www.ombudsman.wa.gov.au; 08 9325 5000

Is my education provider public or private?

Public education providers are generally owned by Commonwealth, state or territory governments, such as TAFE and universities. Private education providers are generally for-profit businesses and are not owned and operated by Commonwealth, state or territory governments, such as many non-TAFE vocational education and training sector providers and non-university higher education providers.

What can I complain about?

- Enrolment issues
- Fees and refunds
- Transfers (release letters)
- If you believe your matters/concerns have not been dealt with fairly by your education provider
- Mistreatment or misconduct by an education provider

What if I am not satisfied with the quality of the course provided?

You may raise your concerns and complaints with the Australian Skills Quality Authority (ASQA) for vocation education and training sector courses and the Tertiary Education Quality and Standards Agency (TEQSA) for higher education sector courses.
Legal Services
The Western Australian Government and Vose Seminary are committed to providing the necessary legal support to international students facing legal issues.

International Student Liaison Officer
Vose Seminary provides a range of support services to international students and has a formal Dispute Resolution Policy for International Students available at [http://www.vose.wa.edu.au/view/information/policies/](http://www.vose.wa.edu.au/view/information/policies/). Students are encouraged to contact the International Student Liaison Officer/Academic Dean. Whenever possible, grievances will be handled within the Seminary. However, should these internal processes not resolve the matter, provision is made for external independent grievance handling/dispute resolution.

External Formal Concern
Notwithstanding the above, in matters of dispute resolution, international students may exercise their rights to other legal remedies and may contact the International Education Conciliation Service.

The Department offers a free independent conciliation/mediation service through the International Education Conciliator. Through conciliation, mediation and dispute resolution processes the Conciliator attempts to resolve disputes between international students and their institutions.

The Conciliator is able to discuss issues of concern at any stage of the internal complaints and appeals procedure, however, will not become involved in the case until the parties have attempted to resolve the dispute themselves and that attempt has failed.

The International Education Conciliator does not replace the providers internal appeal process (as discussed in Standard 8.1 of the National Code) but is an adjunct service for both students and providers. The Conciliator does not provide an external appeal mechanism as described in Standard 8.3 of the National Code.

Information provided to the Conciliator is confidential but may be shared with other government agencies and other relevant organisations in the following circumstances:

The party asks for or gives permission for the information to be shared with another organisation;

- It is required or authorized by law;
- Disclosure is necessary for law enforcement;
- Disclosure will prevent harm to another person; and
- It is reasonably believed to be in the public interest.

If either a student or a member of staff at an institution would like to discuss a particular case with an independent person, they can contact the International Education Conciliator by telephone on 08 9441 1900, facsimile 08 9441 1901 or email conciliation@des.wa.gov.au

Discrimination
Have you experienced racial abuse?
According to current Australian law it is unlawful to vilify or treat a person unfairly because of their race or religious belief.

If you are an international student studying in Western Australia and have been involved in an incident that you regard as harassment, bullying or that is racially motivated, you are encouraged to report it to your educational institution and the Western Australian Police.

You can contact the Western Australian Police Assistance Centre on 131 444.

Do you think you have been discriminated against?
Discrimination on the basis of race or religious conviction is prohibited under the Western Australian Equal Opportunity Act, 1984. The Act makes it unlawful to discriminate against people on the grounds of sex, marital status or pregnancy, family responsibility or family status, race, religious or political conviction, impairment, age or gender history in the areas of:

- Work
- Accommodation
- Provision of goods
- Facilities and services
- Access to places and vehicles
- Land
- Membership of clubs

If you feel you have been discriminated against on any of the above grounds, you can lodge a complaint with the Commissioner for Equal Opportunity Telephone (08) 9216 3900 or see www.eoc.wa.gov.au for more information. All complaints must be submitted in writing, either by completing the form on the website or by written email or letter.

The Commissioner will investigate and attempt conciliation. If your complaint is not resolved it may be referred for hearing to the State Administrative Tribunal.

Health Services

The Australian Government requires overseas students to obtain Overseas Health Cover Insurance (OSHC) for the entire length of the study period prior to being granted a visa and arriving in Australia. The cost of OSHC varies depending on the type of cover required. The average cost of minimum cover is $437 for 12 months singles cover, $1222 for 12 months couples cover, $1744 for 12 months single-parents cover and $2022 family cover (Australian dollars).

The Department of Immigration and Citizenship requires each Overseas Student to maintain OSHC for the duration of their time on a student visa in Australia.

Vose Seminary does not have an agreement with a specific OSHC provider. You will need to arrange to take out OSHC with a provider of your choice. A list of registered providers of OSHC in Australia is included below. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Medibank Private www.medibank.com.au
- Australian Health Management www.ahm.com.au
- BUPA Australia www.overseasstudenthealth.com
- OSHC Worldcare www.oshcworldcare.com.au

Your OSHC will help cover the cost of any medical or hospital care you may need while studying in Australia, and will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

OSHC does not cover dental, optical or physiotherapy. Additional cover may be purchased from some the OSHC providers mentioned above or else the following private health insurance agencies:

- International travel insurance, or

If you marry or have a child born after your arrival in Australia, and you only have a single OSHC policy you must change to a family policy. When you applied to the college you will have been asked to supply the Registrar with a copy of a receipt or other proof of your OSHC payment as Proof of insurance. The OSHC should commence when you arrive in Australia.

If any details of your insurance change you will need to inform the Registrar.
